

Would you like to help to develop a smartphone app to track real-world hearing and listening experiences?

Who can participate?

Parents of children with hearing impairment
(age 6 months to pre-school)

What does it involve?

Three online activities to be completed at different times. The time taken will be 1 to 2 hours in total and is dependent on how much you want to say . You will receive a \$30 voucher as a thank you and to cover your time.

How do I get involved?

Please contact Dr Rebecca Bennett for more information on:
Telephone: 0410 648 125 Email: rebecca.bennett@unimelb.edu.au
